Senate Bill No. 1611

CHAPTER 908

An act to amend Sections 229.5, 362, and 827 of the Welfare and Institutions Code, relating to juveniles.

[Approved by Governor September 29, 2000. Filed with Secretary of State September 29, 2000.]

LEGISLATIVE COUNSEL'S DIGEST

SB 1611, Bowen. Juveniles: juvenile justice commissions and juvenile court orders.

(1) Existing law provides for the establishment in each county of a juvenile justice commission, which has the duty of investigating the administration of juvenile justice in the county or region it serves. Existing law further provides that a juvenile justice commission may inquire into operations of group homes serving wards or dependent children of the juvenile court and report its findings. Existing law provides that a commission, in conducting its inquiry of a group home, may not review confidential records of minors and others.

This bill would provide that a juvenile justice commission conducting an inquiry of a group home may review court or case records of a child provided it keeps the identities of minors named in those records confidential. This bill would also provide that a juvenile justice commission may review the financial records of a group home, but may not review personnel records of employees or the records of donors to the group home.

(2) Existing law provides that juvenile court case files are generally confidential, but authorizes inspection by certain people, including court personnel, the minor's parents or guardian, and the superintendent of the minor's school district, among others.

This bill would also authorize a county juvenile justice commission to inspect juvenile court case files, and would provide that a juvenile justice commission shall maintain the confidentiality of these files, as specified.

(3) Existing law provides that when a child is adjudged a dependent of the court, the court may make any and all reasonable orders for the care, supervision, custody, and support of the child. Existing law further provides that, in order to promote coordination and cooperation among government agencies, the court may join in juvenile court proceedings a government agency that the court has determined has failed to provide legally obligated services to a child, after giving notice and an opportunity to be heard. When an agency is joined, a court may not impose duties upon an agency beyond those mandated by law.

Ch. 908 — 2 —

This bill would provide that, subject to the above described prohibition, a juvenile court may also join a private service provider, as defined, that the court determines has failed to meet such legal obligations.

- (4) This bill would incorporate additional changes in Section 362 of the Welfare and Institutions Code proposed by AB 2921, to be operative if this bill and AB 2921 are enacted and become effective on or before January 1, 2001, and this bill is enacted last.
- (5) This bill would incorporate additional changes to Section 827 of the Welfare and Institutions Code proposed by SB 1716, to be operative if this bill and SB 1716 are enacted and become effective on or before January 1, 2001, and this bill is enacted last.

The people of the State of California do enact as follows:

SECTION 1. Section 229.5 of the Welfare and Institutions Code is amended to read:

- 229.5. (a) Notwithstanding any other provision of law, a juvenile justice commission may inquire into the operation of any group home that serves wards or dependent children of the juvenile court and is located in the county or region the commission serves. The commission may review the safety and well-being of wards or dependent children placed in the group home and the program and services provided in relation to the home's published program statement.
- (b) In conducting its review, the commission shall respect the confidentiality of minors' records and other information protected under other provisions of law. It may review court or case records of a child provided it keeps the identities of minors named in those records confidential, and may review the financial records of a group home. However, the commission may not review the personnel records of employees or the records of donors to the group home.
- (c) The commission shall give the group home manager at least 24 hours' advance notice of a visit to a group home. If the commission believes that there is a serious violation of applicable licensing laws or regulations or that residents of a group home are in danger of physical or mental abuse, abandonment or other substantial threat to their health and safety, the commission shall notify the Community Care Licensing Division of the State Department of Social Services for appropriate action, shall consult with the presiding judge of the juvenile court and chief probation officer as to whether or not a visit is appropriate, and shall notify other juvenile justice commissions of its actions, as appropriate.
- (d) Upon the completion of a visit, if the commission finds any condition in the group home that poses a danger to its residents or otherwise violates any applicable law, ordinance, or regulation, the commission shall verbally advise the group home manager of its

—3 — Ch. 908

findings, unless it determines that the advisement could be detrimental to the children placed there, and shall send written confirmation of its findings to the group home manager within 14 days. The commission may also report its findings to the presiding judge of the juvenile court, chief probation officer, State Department of Social Services, or other juvenile justice commissions as appropriate. A group home manager may meet with the juvenile justice commission, chief probation officer, county welfare director, juvenile court, or the State Department of Social Services to resolve any problem or to submit a plan of correction.

SEC. 2. Section 362 of the Welfare and Institutions Code is amended to read:

362. (a) When a child is adjudged a dependent child of the court on the ground that the child is a person described by Section 300, the court may make any and all reasonable orders for the care, supervision, custody, conduct, maintenance, and support of the child, including medical treatment, subject to further order of the court. To facilitate coordination and cooperation among government agencies or private service providers, or both, the court may, after giving notice and an opportunity to be heard, join in the juvenile court proceedings any agency or private service provider that the court determines has failed to meet a legal obligation to provide services to the child. In any proceeding in which an agency or private service provider is joined, the court shall not impose duties upon the agency or private service provider beyond those mandated by law. Nothing in this section shall prohibit agencies or private service providers that have received notice of the hearing on joinder from meeting prior to the hearing to coordinate services for the child.

The court has no authority to order services unless it has been determined through the administrative process of an agency that has been joined as a party, that the child is eligible for those services. With respect to mental health assessment, treatment, and case management services pursuant to Chapter 26.5 (commencing with Section 7570) of Division 7 of Title 1 of the Government Code, the court's determination shall be limited to whether the agency or private service provider has complied with that chapter.

- (b) When a child is adjudged a dependent child of the court, on the ground that the child is a person described by Section 300 and the court orders that a parent or guardian shall retain custody of the child subject to the supervision of the social worker, the parents or guardians shall be required to participate in child welfare services or services provided by an appropriate agency designated by the court.
- (c) The juvenile court may direct any and all reasonable orders to the parents or guardians of the child who is the subject of any proceedings under this chapter as the court deems necessary and proper to carry out the provisions of this section, including orders to appear before a county financial evaluation officer. That order may

Ch. 908 — **4**—

include a direction to participate in a counseling or education program, including, but not limited to, a parent education and parenting program operated by a community college, school district, or other appropriate agency designated by the court. A foster parent or relative with whom the child is placed may be directed to participate in such a program in cases in which the court deems participation is appropriate and in the child's best interest. The program in which a parent or guardian is required to participate shall be designed to eliminate those conditions that led to the court's finding that the child is a person described by Section 300.

- (d) "Private service provider" means any agency or individual that receives federal, state, or local government funding or reimbursement for providing services directly to foster children.
- SEC. 2.5. Section 362 of the Welfare and Institutions Code is amended to read:
- 362. (a) When a child is adjudged a dependent child of the court on the ground that the child is a person described by Section 300, the court may make any and all reasonable orders for the care, supervision, custody, conduct, maintenance, and support of the child, including medical treatment, subject to further order of the court. To facilitate coordination and cooperation among government agencies or private service providers, or both, the court may, after giving notice and an opportunity to be heard, join in the juvenile court proceedings any agency or private service provider that the court determines has failed to meet a legal obligation to provide services to the child. In any proceeding in which an agency or private service provider is joined, the court shall not impose duties upon the agency or private service provider beyond those mandated by law. Nothing in this section shall prohibit agencies or private service providers that have received notice of the hearing on joinder from meeting prior to the hearing to coordinate services for the child.

The court has no authority to order services unless it has been determined through the administrative process of an agency that has been joined as a party, that the child is eligible for those services. With respect to mental health assessment, treatment, and case management services pursuant to Chapter 26.5 (commencing with Section 7570) of Division 7 of Title 1 of the Government Code, the court's determination shall be limited to whether the agency or private service provider has complied with that chapter.

- (b) When a child is adjudged a dependent child of the court, on the ground that the child is a person described by Section 300 and the court orders that a parent or guardian shall retain custody of the child subject to the supervision of the social worker, the parents or guardians shall be required to participate in child welfare services or services provided by an appropriate agency designated by the court.
- (c) The juvenile court may direct any and all reasonable orders to the parents or guardians of the child who is the subject of any

—5 — Ch. 908

proceedings under this chapter as the court deems necessary and proper to carry out the provisions of this section, including orders to appear before a county financial evaluation officer. That order may include a direction to participate in a counseling or education program, including, but not limited to, a parent education and parenting program operated by a community college, school district, or other appropriate agency designated by the court. A foster parent or relative with whom the child is placed may be directed to participate in such a program in cases in which the court deems participation is appropriate and in the child's best interest. The program in which a parent or guardian is required to participate shall be designed to eliminate those conditions that led to the court's finding that the child is a person described by Section 300.

- (d) Notwithstanding subdivision (c), no prospective adoptive parent or birth relative, including a birth parent, shall be required by court order to enter into a postadoption contact agreement or into mediation or any other negotiation intended to develop a postadoption contact agreement.
- (e) "Private service provider" means any agency or individual that receives federal, state, or local government funding or reimbursement for providing services directly to foster children.

Ch. 908 — **6** —

performance of their duties to inspect, license, and investigate community care facilities, and to ensure that the standards of care and services provided in those facilities are adequate and appropriate and to ascertain compliance with the rules and regulations to which the facilities are subject. The confidential information shall remain confidential except for purposes of inspection, licensing, or investigation pursuant to Chapter 3 (commencing with Section 1500) and Chapter 3.4 (commencing with Section 1596.70) of Division 2 of the Health and Safety Code, or a criminal, civil, or administrative proceeding in relation thereto. The confidential information may be used by the State Department of Social Services in a criminal, civil, or administrative proceeding. The confidential information shall be available only to the judge or hearing officer and to the parties to the case. Names that are confidential shall be listed in attachments separate to the general pleadings. The confidential information shall be sealed after the conclusion of the criminal, civil, or administrative hearings, and shall not subsequently be released except in accordance with this subdivision. If the confidential information does not result in a criminal, civil, or administrative proceeding, it shall be sealed after the State Department of Social Services decides that no further action will be taken in the matter of suspected licensing violations. Except as otherwise provided in this subdivision, confidential information in the possession of the State Department of Social Services shall not contain the name of the minor.

- (J) Members of children's multidisciplinary teams, persons or agencies providing treatment or supervision of the minor.
- (K) Juvenile justice commissions as established under Section 225. The confidentiality provisions of Section 10850 shall apply to a juvenile justice commission and its members.

- (2) Notwithstanding any other law and subject to subparagraph (A) of paragraph (3), juvenile case files, except those relating to matters within the jurisdiction of the court pursuant to Section 601 or 602, which pertain to a deceased child who was within the jurisdiction of the juvenile court pursuant to Section 300, shall be released to the public pursuant to an order by the juvenile court after a petition has been filed and interested parties have been afforded an opportunity to file an objection. Any information relating to another child or which could identify another child, except for information about the deceased, shall be redacted from the juvenile case file prior to release, unless a specific order is made by the juvenile court to the contrary. Except as provided in this paragraph, the presiding judge of the juvenile court may issue an order prohibiting or limiting access to the juvenile case file, or any portion thereof, of a deceased child only upon a showing that release of the juvenile case file or any portion thereof is detrimental to the safety,

—7 — Ch. 908

protection, or physical, or emotional well-being of another child who is directly or indirectly connected to the juvenile case that is the subject of the petition.

- (3) Access to juvenile case files pertaining to matters within the jurisdiction of the juvenile court pursuant to Section 300 shall be limited as follows:
- (A) If a juvenile case file, or any portion thereof, is privileged or confidential pursuant to any other state law or federal law or regulation, the requirements of that state law or federal law or regulation prohibiting or limiting release of the juvenile case file or any portions thereof shall prevail. Unless a person is listed in subparagraphs (A) to (K), inclusive, of paragraph (1) and is entitled to access under the other state law or federal law or regulation without a court order, all those seeking access, pursuant to other authorization, to portions of, or information relating to the contents of, juvenile case files protected under another state law or federal law or regulation, shall petition the juvenile court. The juvenile court may only release the portion of, or information relating to the contents of, juvenile case files protected by another state law or federal law or regulation if disclosure is not detrimental to the safety, protection, or physical or emotional well-being of a child who is directly or indirectly connected to the juvenile case that is the subject of the petition. This paragraph shall not be construed to limit the ability of the juvenile court to carry out its duties in conducting juvenile court proceedings.
- (B) Prior to the release of the juvenile case file or any portion thereof, the court shall afford due process, including a notice of and an opportunity to file an objection to the release of the record or report to all interested parties.
- (4) A juvenile case file, any portion thereof, and information relating to the content of the juvenile case file, shall not be disseminated by the receiving agencies to any persons or agencies, other than those persons or agencies authorized to receive documents pursuant to this section. Further, a juvenile case file, any portion thereof, and information relating to the content of the juvenile case file, shall not be made as an attachment to any other documents without the prior approval of the presiding judge of the juvenile court, unless it is used in connection with and in the course of a criminal investigation or a proceeding brought to declare a person a dependent child or ward of the juvenile court.
- (b) (1) While the Legislature reaffirms its belief that juvenile court records, in general, should be confidential, it is the intent of the Legislature in enacting this subdivision to provide for a limited exception to juvenile court record confidentiality to promote more effective communication among juvenile courts, family courts, law enforcement agencies, and schools to ensure the rehabilitation of

Ch. 908 — **8**—

juvenile criminal offenders as well as to lessen the potential for drug use, violence, other forms of delinquency, and child abuse.

(2) Notwithstanding subdivision (a), written notice that a minor enrolled in a public school, kindergarten to grade 12, inclusive, has been found by a court of competent jurisdiction to have committed any felony or any misdemeanor involving curfew, gambling, alcohol, drugs, tobacco products, carrying of weapons, a sex offense listed in Section 290 of the Penal Code, assault or battery, larceny, vandalism, or graffiti shall be provided by the court, within seven days, to the superintendent of the school district of attendance. Written notice shall include only the offense found to have been committed by the minor and the disposition of the minor's case. This notice shall be expeditiously transmitted by the district superintendent to the principal at the school of attendance. The principal shall expeditiously disseminate the information to those counselors directly supervising or reporting on the behavior or progress of the minor. In addition, the principal shall disseminate the information to any teacher or administrator directly supervising or reporting on the behavior or progress of the minor whom the principal believes needs the information to work with the pupil in an appropriate fashion, to avoid being needlessly vulnerable or to protect other persons from needless vulnerability.

Any information received by a teacher, counselor, or administrator under this subdivision shall be received in confidence for the limited purpose of rehabilitating the minor and protecting students and staff, and shall not be further disseminated by the teacher, counselor, or administrator, except insofar as communication with the juvenile, his or her parents or guardians, law enforcement personnel, and the juvenile's probation officer is necessary to effectuate the juvenile's rehabilitation or to protect students and staff.

An intentional violation of the confidentiality provisions of this paragraph is a misdemeanor punishable by a fine not to exceed five hundred dollars (\$500).

- (3) If a minor is removed from public school as a result of the court's finding described in subdivision (b), the superintendent shall maintain the information in a confidential file and shall defer transmittal of the information received from the court until the minor is returned to public school. If the minor is returned to a school district other than the one from which the minor came, the parole or probation officer having jurisdiction over the minor shall so notify the superintendent of the last district of attendance, who shall transmit the notice received from the court to the superintendent of the new district of attendance.
- (c) Each probation report filed with the court concerning a minor whose record is subject to dissemination pursuant to subdivision (b) shall include on the face sheet the school at which the minor is currently enrolled. The county superintendent shall provide the

— 9 — Ch. 908

court with a listing of all of the schools within each school district, within the county, along with the name and mailing address of each district superintendent.

(d) Each notice sent by the court pursuant to subdivision (b) shall be stamped with the instruction: "Unlawful Dissemination Of This Information Is A Misdemeanor." Any information received from the court shall be kept in a separate confidential file at the school of attendance and shall be transferred to the minor's subsequent schools of attendance and maintained until the minor graduates from high school, is released from juvenile court jurisdiction, or reaches the age of 18, whichever occurs first. After that time the confidential record shall be destroyed. At any time after the date by which a record required to be destroyed by this section should have been destroyed, the minor or his or her parent or guardian shall have the right to make a written request to the principal of the school that the minor's school records be reviewed to ensure that the record has been destroyed. Upon completion of any requested review and no later than 30 days after the request for the review was received, the principal or his or her designee shall respond in writing to the written request and either shall confirm that the record has been destroyed or, if the record has not been destroyed, shall explain why destruction has not yet occurred.

Except as provided in paragraph (2) of subdivision (b), no liability shall attach to any person who transmits or fails to transmit any notice or information required under subdivision (b).

- (e) For purposes of this section, a "juvenile case file" means a petition filed in any juvenile court proceeding, reports of the probation officer, and all other documents filed in that case or made available to the probation officer in making his or her report, or to the judge, referee, or other hearing officer, and thereafter retained by the probation officer, judge, referee, or other hearing officer.

 - (C) The minor who is the subject of the proceeding.

- (I) To authorized legal staff or special investigators who are peace officers who are employed by, or who are authorized representatives of, the State Department of Social Services, as necessary to the performance of their duties to inspect, license, and investigate community care facilities, and to ensure that the standards of care and services provided in those facilities are adequate and appropriate and to ascertain compliance with the rules and regulations to which the facilities are subject. The confidential information shall remain confidential except for purposes of inspection, licensing, or investigation pursuant to Chapter 3 (commencing with Section 1500) and Chapter 3.4 (commencing with Section 1596.70) of Division 2 of the Health and Safety Code, or a criminal, civil, or administrative proceeding in relation thereto. The confidential information may be used by the State Department of Social Services in a criminal, civil, or administrative proceeding. The confidential information shall be available only to the judge or hearing officer and to the parties to the case. Names that are confidential shall be listed in attachments separate to the general pleadings. The confidential information shall be sealed after the conclusion of the criminal, civil, or administrative hearings, and shall not subsequently be released except in accordance with this subdivision. If the confidential information does not result in a criminal, civil, or administrative proceeding, it shall be sealed after the State Department of Social Services decides that no further action will be taken in the matter of suspected licensing violations. Except as otherwise provided in this subdivision, confidential information in the possession of the State Department of Social Services shall not contain the name of the minor.
- (J) Members of children's multidisciplinary teams, persons or agencies providing treatment or supervision of the minor.

Any information relating to another child or which could identify another child, except for information about the deceased, shall be redacted from the juvenile case file prior to release, unless a specific order is made by the juvenile court to the contrary. Except as provided in this paragraph, the presiding judge of the juvenile court may issue an order prohibiting or limiting access to the juvenile case file, or any portion thereof, of a deceased child only upon a showing that release of the juvenile case file or any portion thereof is detrimental to the safety, protection, or physical, or emotional well-being of another child who is directly or indirectly connected to the juvenile case that is the subject of the petition.
- (3) Access to juvenile case files pertaining to matters within the jurisdiction of the juvenile court pursuant to Section 300 shall be limited as follows:

Unless a person is listed in subparagraphs (A) to (L), inclusive, of paragraph (1) and is entitled to access under the other state law or federal law or regulation without a court order, all those seeking access, pursuant to other authorization, to portions of, or information relating to the contents of, juvenile case files protected under another state law or federal law or regulation, shall petition the juvenile court. The juvenile court may only release the portion of, or information relating to the contents of, juvenile case files protected by another state law or federal law or regulation if disclosure is not detrimental to the safety, protection, or physical or emotional well-being of a child who is directly or indirectly connected to the juvenile case that is the subject of the petition. This paragraph shall not be construed to limit the ability of the juvenile court to carry out its duties in conducting juvenile court proceedings.
- (B) Prior to the release of the juvenile case file or any portion thereof, the court shall afford due process, including a notice of and an opportunity to file an objection to the release of the record or report to all interested parties.

Ch. 908 — **12** —

- (4) A juvenile case file, any portion thereof, and information relating to the content of the juvenile case file, shall not be disseminated by the receiving agencies to any persons or agencies, other than those persons or agencies authorized to receive documents pursuant to this section. Further, a juvenile case file, any portion thereof, and information relating to the content of the juvenile case file, shall not be made as an attachment to any other documents without the prior approval of the presiding judge of the juvenile court, unless it is used in connection with and in the course of a criminal investigation or a proceeding brought to declare a person a dependent child or ward of the juvenile court.
- (b) (1) While the Legislature reaffirms its belief that juvenile court records, in general, should be confidential, it is the intent of the Legislature in enacting this subdivision to provide for a limited exception to juvenile court record confidentiality to promote more effective communication among juvenile courts, family courts, law enforcement agencies, and schools to ensure the rehabilitation of juvenile criminal offenders as well as to lessen the potential for drug use, violence, other forms of delinquency, and child abuse.
- (2) Notwithstanding subdivision (a), written notice that a minor enrolled in a public school, kindergarten to grade 12, inclusive, has been found by a court of competent jurisdiction to have committed any felony or any misdemeanor involving curfew, gambling, alcohol, drugs, tobacco products, carrying of weapons, a sex offense listed in Section 290 of the Penal Code, assault or battery, larceny, vandalism, or graffiti shall be provided by the court, within seven days, to the superintendent of the school district of attendance. After that time the confidential record shall be destroyed. At any time after the date by which a record required to be destroyed by this section should have been destroyed, the minor or his or her parent or guardian shall have the right to make a written request to the principal of the school that the minor's school records be reviewed to ensure that the record has been destroyed. Upon completion of any requested review and no later than 30 days after the request for the review was received, the principal or his or her designee shall respond in writing to the written request and either shall confirm that the record has been destroyed or, if the record has not been destroyed, shall explain why destruction has not yet occurred.

Except as provided in paragraph (2) of subdivision (b), no liability shall attach to any person who transmits or fails to transmit any notice or information required under subdivision (b).
